FORGE YOUR PATH

Afterword

The fitness industry is full of conflicting advice, fad diets, and people trying to sell you the next "secret." Most of it is bullshit.
I've worked with enough people to know that the biggest problem isn't motivation—it's having a meals that are actually realistic. You don't need to survive on chicken and broccoli or spend hours cooking meals you'll hate to perform well or get your dream physique.

That's exactly why I created these recipe eBooks.

Every recipe is designed to be:

- High in protein
- Easy to make
- Full of flavour
- Made with everyday ingredients
- Built to help you stay on track without feeling like you're dieting
